Dear Detective Gray,

The family of Mimi Starfield wishes to thank you for your kindness, professionalism, compassion and dedication to us during the period following our mother's tragic passing in an apartment fire last January. You contacted us on numerous occasions throughout the past few months to answer questions, keep us updated regarding the progress of the fire investigation and to simply, but importantly, offer your heart to us as we went through the grieving process.

This was our only experience with the DC Arson Unit and I cannot thank you enough for your kind assistance to our family. You are a credit to your department and I hope that this letter may serve to draw positive recognition to you (and your colleagues) who do such good, in an oftentimes unrecognized way, in your community.

We thank you.

Sincerely,

For the family of Mimi Starfield
